**Free Parking on-site**

Dear Esteemed Guest,

It has been three years since we last celebrated our 36<sup>th</sup> Anniversary together at our new building, the House of Love and Kindness. The prolonged pandemic limited our social gatherings and presented lots of challenges to all people. The Asian Health & Service Center (AHSC) cordially invites you to be part of our **39<sup>th</sup> Anniversary Celebration Gathering on October 20, 2022**. As to respect everyone’s concern about in-person events, AHSC will be celebrating this year with a meet and greet afternoon social event, from 3:00 to 6:00pm. We would like to honor supporters with the theme “Bridging the Challenges with Gratitude”.

In July, AHSC opened our community halls to host the special “Arts Bridge Community—Harmony”, an art exhibition, open and free for all, with support from CareOregon and the Oregon Chinese Artist Association. This exhibit will be continued through end of October and on display during our 39<sup>th</sup> Anniversary Celebration Gathering. Over the last 30+ months, AHSC has found new ways to serve our community through the COVID-19 Asian Response Team (CART), the Special Asian Food & Essential (SAFE) bags delivery and more... We cannot do it without the support from our partners, staff and volunteers. Please join us with gratitude to honor everyone who have helped us to make the challenges and opportunity to better served the needed people.

We hope that you will continue your support of AHSC by becoming a sponsor of our **39<sup>th</sup> Anniversary Celebration Gathering**. If you are interested, please contact my assistant Nhi Truong by **October 7, 2022**. If you have any questions, please contact Nhi Truong at 503-772-5913 or at [annualconference@ahscpx.org](mailto:annualconference@ahscpx.org). Our federal tax identification number is 93-1192100.

Again, we cannot serve the Portland Metro Area Asian community to the extent that we do without your partnership. Please accept our heartfelt gratitude. We look forward to reconnecting with old friends, and meeting new friends as well. More importantly, we are excited to celebrate with you in October!

Heartfelt thanks,

*Holden Leung*
